Katie Pertiet Exclusive Design: "My Reward Coupons"

What child wouldn't want cookies or ice cream? This easy-to-make little coupon book works like a charm, and all you need to do is add photos to personalize these adorable ready-made quick pages designed by Katie Pertiet. Give a coupon to reward good behavior and your child will look forward to the treats and behave accordingly.

Materials Suggested:

An Epson PictureMate® and a PictureMate Picture Pack

If you don't have a PictureMate: any Epson 4x6" photo paper compatible with your printer.

Epson Glossy Photo Paper, Epson Premium Glossy Photo Paper or Epson Ultra Glossy Photo Paper.

"My Reward Coupons" PictureMate Pages:

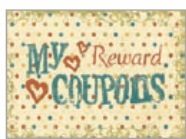

Step 1: Open Coupon quick page in Adobe Photoshop or Photoshop Elements, or your preferred editing program.

Step 2: Add your photo and place over the gray area; rotate and reduce to fit.

Step 3: Now you're ready to print! And with the Epson PictureMate there are so many options!

You can make a 4x6 coupon book or print them 2-up for a little matchbook-sized book, the perfect size for little hands!
