The holidays are a wonderful time when family and friends gather to celebrate. It's fast and easy to capture these special celebrations using your favorite photos and templates you can download FREE here at Epson Creative Corner. You simply import the photos into the templates, add your text, print, and assemble and you'll have a beautiful hard-bound book that will be treasured at holiday times for years to come.

Materials Suggested:

- 5"x7" Epson Premium Glossy Photo Paper

Step 2: Copy your photos onto a new layer behind the template layer. Crop and/or resize to fit in the open window of the template.

Step 3: Add your journaling, captions and dates using the text tool on a new layer above the template layer.

Step 4: Your personalizing is complete! Print your pages. Remember to choose the correct paper size and paper type setting (Premium Glossy Photo Paper) in your printer driver.

Step 5: You can stop there, or you may want to add embellishments to the cover and some or all of your pages, as you wish.
