

Easter Box and Bag

Take gift giving to a whole new level with custom gift boxes and bags designed by you! Everyone will agree that these personalized items are as special as the gift inside!

Materials Suggested:

- Epson Matte Paper Heavyweight (A4), Epson Double-Sided Matte Paper (A4) or Epson Premium Glossy Photo Paper (A4).
- Glue and craft scissors.
- An Epson Stylus Photo Printer.

Box and Bag:

Step 1: Download and open the templates.

Step 2: Add desired text to the templates.

Step 3: Select the paper type and size you want to print in the printer driver.

Step 4: Use scissors to trim.

Step 5: Use scoring tool to fold dotted lines, then glue flaps to assemble.

Step 6: Add tissue paper, fill with candy or your gift and top it off with a ribbon or bow.
